# The Shrouds to Japan

## Newsletter – July 2025

Greetings from Texas!

### Opportunities

We have had a busy June and July at our home church, with Youth Camp for my older daughter and now VBS. My daughter and I are helping, and my other three non-infants (I can no longer say youngest three!) are very much enjoying the experience as students!

We have also started cooking and eating Japanese food every Friday for dinner. The goals is to learn to make it, and for the kids to develop a taste for the new flavors, as well as learning the names for different foods. Everyone takes turns choosing a meal, and it has been a really great way to enjoy and learn!

We will be heading to a big missions conference at the end of this month in Garland, TX. This will be our third year there, and we very much look forward to seeing everyone again!

### Support Report

We currently are around 53% of the monthly support we will need.

### Prayer Requests

- Now that things have gotten a bit better with health and schedules, we have begun to start packing up, in hopes of selling our home and being out before the year is over. Please pray for us that we will get it done quickly!
- Our newest daughter continues to grow quickly, and already has her first tooth! She does have teething pain, so please pray for her to get through as painless as possible.

In Christ,
